

Elwha RV Park and Campground – Policies

Our vision is to be a quiet, drama free park, where everyone is considerate of others around them. Each person in this park helps to make it what it is. When living together a little extra thoughtfulness is needed. We are not a permanent resident park, but we can offer limited camping agreements where one can lengthen their stay on a month-to-month basis for a time depending on seasonal availability.

Extra Quiet Hours: 9:00 pm to 9:00 am, however excessive noise, loud music, smells, etc. should not spill into other people's spaces anytime of the day. In the event of discourteous campers, please call us, and let us address the issue. Chances are, if they are disturbing you, they are disturbing others also. Thank you!

If anyone still has need for more internet, we are currently testing portals where we may be able to offer additional amounts for additional cost. Ask us for more info.

Pet-Friendly Campground: We love animals, but to keep it working we need the following requirements: No aggressive pets or excessive barking pets allowed. Pets must be leashed 100% of the time (6' or less), cleaned up after 100% of the time, attended to 100% of the time, and barking is to be minimized especially at quiet times. Do not leave unattended or tether pets to picnic tables, posts, fences, etc. Pets should stay outside of campground buildings (including bathhouses and community center). Dogs and cats must be registered with management, be licensed, and must wear identification tags at all times. There can be a \$50 fine or immediate eviction for failure to pick up after your pet's waste in a timely manner.

Laundry: Be courteous. Please be available to remove your items from washer and dryer in a prompt manner. Any clothes left more than 5 minutes may be removed to accommodate other guests. Use non-scented items and avoid liquid softeners and powdered soap as they can damage our septic system.

Mail: We are not a permanent resident park, and our address cannot be used as such. We suggest acquiring a post office box to receive general mail. If you need to establish residency, get a driver's license, etc., most people get the following: a mailing service that has a street address, or a friend or relative's house.

Club House: The club house is an area available to guests or small groups to reserve. When not reserved, it is open for laundry, occasional reading, etc. We do ask that people are careful to not monopolize the room, TV, or facilities in a living room type manner. Please consult with park manager before using appliances other than laundry.

Restrooms, Store, & Other Buildings: By state law, smoking is not permitted in any building. Please discard cigarette butts in appropriate receptacles. If a restroom is found in poor condition and needs attention, please report it to the office immediately! Thank you for helping us to maintain a clean facility!

Garbage & Recycling Disposal: Please place your bagged garbage or recycling in the dumpster behind the office or the dumpster at the middle of the park (seasonal) daily. All garbage bags must be sealed tightly. Please do not throw furniture or bulk items in dumpsters. Dispose of recycling in appropriate bins (e.g., glass with glass). Do not leave trash or recycling on the ground. Thank you!

Littering, stone throwing, defacing trees, picnic tables, road signs, or any other campground or camper's property, and destructive or dangerous behaviors are strictly prohibited. If you are a smoker or vaper of any kind, we ask that your smoking is done so that your neighbors are not affected.
